

Tae A an' B
On Yer Golden Weddin' Anniversary

Ower fifty years in September
Fan A met B
He thocht she wis gorgeous
She thocht he wis richt bonnie

Aifter a courtship in Glaesga
They got mairriet in the toon
Bit it wisna in Scotland
They decided tae settle doon

For the world cam' a- callin'
An' they heided oot West
They winted a faim'ly
An' seen they were blessed

B's medical career
His been in sortin' oot veins
As his dother C
Noo weel enough kens

A's aye busy wi' gran'kids
Golf, tennis or shoppin'
An' for short breaks awa'
They're doon tae Mexico hoppin'

B likes tae fish an' tae golf
Or hae political discourse
But they managed tae get through
Fifty years withoot divorce

Ye'll be hame again tae Scotland
Tae meet up wi' the clan
Bit we thocht we'd surprise ye
An' gie ye a han'

Tae celebrate yer 50 years thegither
We'll toast ye a' day lang
Mony mair happy years ahead
We hope yer bash gings aff wi' a bang!
