

New Hame

Ye've finally got the keys
Tae yer ain wee flat
So ye'll seen be tellin' a'body
Tae "dicht yer feet on the mat"

Seen ye'll ken a' the joys
O' ha'en yer ain place
Nae mair fancy holidays
Nor restaurants ye'll grace

Bit fit fun ye're gaun tae ha'e
Makin' yer hoose yer ain
Pickin' oot soft furnishins
Is yer taste patterned or plain?

Ye'll ha'e bills for electricity
Insurance an' Coouncil Tax
Ye'll be amazed foo far
Yer salary his tae rax

Bit it's a thrill tae come back
Tae yer ain hoose an' hame
Ye've ta'en the plunge
An' life will nivver be the same

As ye spread yer wings
An' loup out o' the nest
These are jist a few words
Tae wish ye a' the best.
